

Welcome!

Since the parish was created in 1955, the strength of St. Robert Parish has been its people — its diverse, welcoming, and caring parishioners of all ages and all walks of life.

We strive to be a community of intentional stewards, grateful and generous in all we do.

We are excited to welcome you, whoever you are and wherever you are on the journey God has in store for you.

RENEW Question for Sharing

"Their minds are occupied with earthly things. But our citizenship is in heaven, and from it we also await a savior, the Lord Jesus Christ." *Philippians 3:19-20*

It's hard to live on this earth and not have our minds occupied with earthly things – our jobs, soccer schedules, traffic, what to have for dinner tonight, etc. But God's concerns are not earthly; His concern is about His Kingdom; and His desire for us is to view our earthly needs in the context of His bigger kingdom. When we truly place all our faith in the Lord's dominion over our lives, our earthly worries fade and we focus on our eternal life in heaven.

For adults to consider:
What burdens you? What can you imagine God telling you if you shared this burden with him?

For children to consider:
What will you tell God when you meet him in heaven?

Jubilee Year | Pilgrims of Hope

For this Jubilee Year Pilgrims of Hope, Bishop Soto has expressed three themes to focus our reflections throughout the year. The first theme is To See God for "We shall see him as he is," (1 John 3:2). What happens when we feel hopeful for something? St. Thomas Aquinas describes hope as that passion (or emotion) that we feel when an arduous future good seems possible to attain. In other words, when we have to work hard to achieve a goal or end state, but we are confident that we can overcome obstacles to that goal, we experience hope as a passion or emotion. In everyday life, we might feel it when our favorite team is about to complete an epic comeback in the final minutes of a game, or when we are on the final ascent of Half Dome in Yosemite, just moments away from experiencing one of the most unique and breathtaking views of natural beauty. The goal seems reachable, and we know that we have the strength and ability to get there. Living a life of hope means drawing strength from the continuous reminders of God's love for us, especially the sacraments, which are the ordinary means of sanctifying grace. When we approach the sacraments, especially Holy Communion, let us be mindful that what we receive is not simply nourishment and strengthening for our bodies now, but as St. Thomas calls it, "a pledge of future glory."
